# Notice of amended traffic management on B4115 **Ashow Road, Stoneleigh**

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The changes to the traffic management

We are currently completing construction of the Ashow Road overbridge and underpass. We recently shared a communication that we would need to close Ashow Road to complete utility connections and road tie in works. We will be changing the sequence of these works and will not be installing a road closure over this period. We will now complete the first stage of these work using temporary three-way traffic lights between Crewe Lane and the Stoneleigh/ Birmingham Road crossroads.

### When the work will be taking place

The works will be carried out between **Monday 4 November to Sunday 1 December 2024.** Access to the **Your Horse Live event** at Stoneleigh Park will now be unaffected.

### What to expect

There will be three-way temporary traffic lights in place on the B4115 Ashow Road.

The full road closure will now take place in the New Year.

Please see the map on page 2.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

# **Engaging** with local communities

We know that planning and building the railway disrupts the lives of local people. We will always try to do the right thing and reduce disruption as much as we can.

Our specialists work across each section of the route and will keep you informed. They will also respond to any question you may have.

Drop-in sessions are held regularly and provide important updates on the project. We encourage attendees to share feedback so we can understand the views of our communities.

We work closely with community groups and local authorities to find ways to mitigate any potential disruption caused by the construction of HS2.

Our teams also support community and school projects to benefit the areas where we work. These include giving back to communities by volunteering, fundraising, or providing materials, labour, or investment. Our helpdesk is open 24/7 - ring us on 08081 434 434 if you would like to discuss an idea with our team.

# **Keeping you informed**

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

### The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltdresidents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (https://bit.ly/3oOA25j).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

### **Construction Commissioner**

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

### **Property and compensation**

You can find out about HS2 and properties along the route by visiting:
