

Notice of full road closure of B4115 Ashow Road, Stoneleigh

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We are currently completing construction of the Ashow Road Overbridge and underpass. We will be carrying out the final utility connections and tie in works which will connect the new road realignment to the existing road. To carry out the work safely, we will need to put in place a full road closure on Ashow Road.

When the work will be taking place

The works will be carried out between **Monday 4 November to Sunday 1 December 2024**. There will a short period during the **Your Horse Live event** at Stoneleigh Park when we will maintain access for horse boxes.

From Wednesday 6 November to Sunday 10 November 2024 access for horse boxes during the Your Horse Live event will be via the crossroads at Stoneleigh.

What you will expect

There will be a full road closure in place 24 hours a day on the section of the B4115 Ashow Road between Crewe Lane and the crossroads at the Stoneleigh/ Birmingham Road.

Please see map on page 2.

Following these works we will complete surveys and safety assessments before we can move traffic across to the new bridge and road realignment.

Engaging with local communities

We know that planning and building the railway disrupts the lives of local people. We will always try to do the right thing and reduce disruption as much as we can.

Our specialists work across each section of the route and will keep you informed. They will also respond to any question you may have.

Drop-in sessions are held regularly and provide important updates on the project. We encourage attendees to share feedback so we can understand the views of our communities.

We work closely with community groups and local authorities to find ways to mitigate any potential disruption caused by the construction of HS2.

Our teams also support community and school projects to benefit the areas where we work. These include giving back to communities by volunteering, fundraising, or providing materials, labour, or investment. Our helpdesk is open 24/7 – ring us on 08081 434 434 if you would like to discuss an idea with our team.
