

Emergency lane closure – M42 between Junction 6 and Junction 7.

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

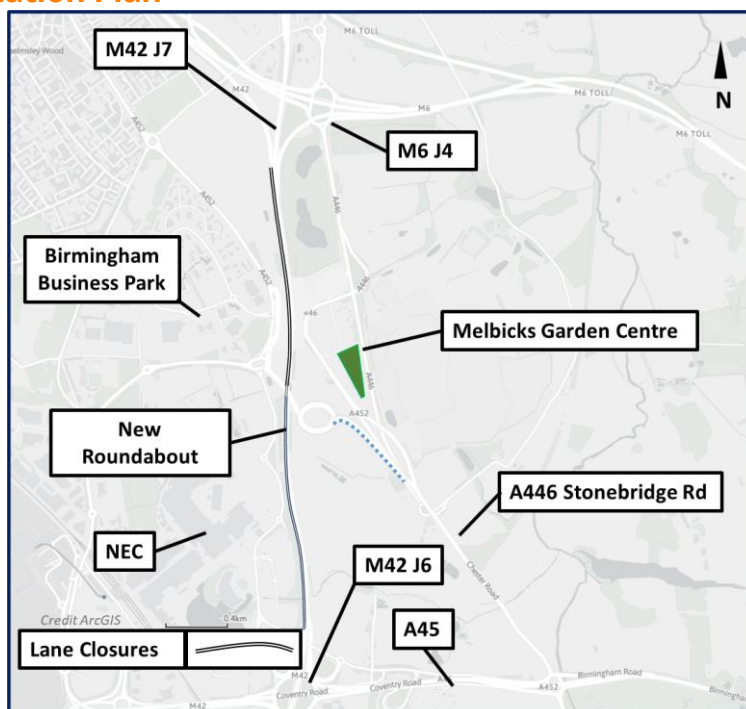

The work we will be doing

BBV have been monitoring a low risk defect on the M42 near our work site. As a result of heavy rainfall, this defect has deteriorated and could become a safety critical risk with next few days. Following discussion with National Highways we plan to implement urgent lane closures between Junction 6 and Junction 7 of the M42 to conduct a preventative carriageway repair. This will allow us to properly plan the work rather than it falling at a time out of our control.

When will the work take place

We will close lane one and two northbound of the M42 between Junction 6 and Junction 7 at 9pm on Thursday 3 October and reopen the lanes at 5am on Friday 4 October. Lane three will remain open for the duration of our work.

Location Plan

Duration of works

One night starting at 9pm on Thursday 3 October until 5am on Friday 4 October

What to expect

Lane closures on northbound M42 between Junction 6 and 7.

Low level noise from our work

Slight delay to journey times where three lanes merge into one.
