

# **Notice of lane closures, A41** Fleet Marston

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

#### What are we doing?

In October we will be working along the A41 near the Fleet Marston Roundabout.

We will be using vacuum excavators to carefully locate a gas pipe so that it's alignment can be confirmed and worked around. This is necessary to complete the remainder of the A41 realignment.

In order to do this we will need to close a single lane of the A41 as we will have operatives working on around the carriageway.

This work was planned to commence at the end of September but was delayed due to the availability of Southern Gas Network (SGN) to work on this section of pipe.

We will also be carrying out utility works to lay new BT ducting at a second location on the A41 the following week. This will also be completed under a single lane closure.

# When will these works take place?

- Tuesday 8 October Friday 18 October, 2-way traffic lights 9am-3pm excluding weekends (Previously Monday 30 September – Friday 11 October)
- Monday 21 October Friday 1 November, 2-way traffic lights 9am-3pm excluding weekends (previously Monday 21 October – Friday 25 October)

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
