

# Notice of lane closures on A452 Kenilworth Road – Balsall Common.

October 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

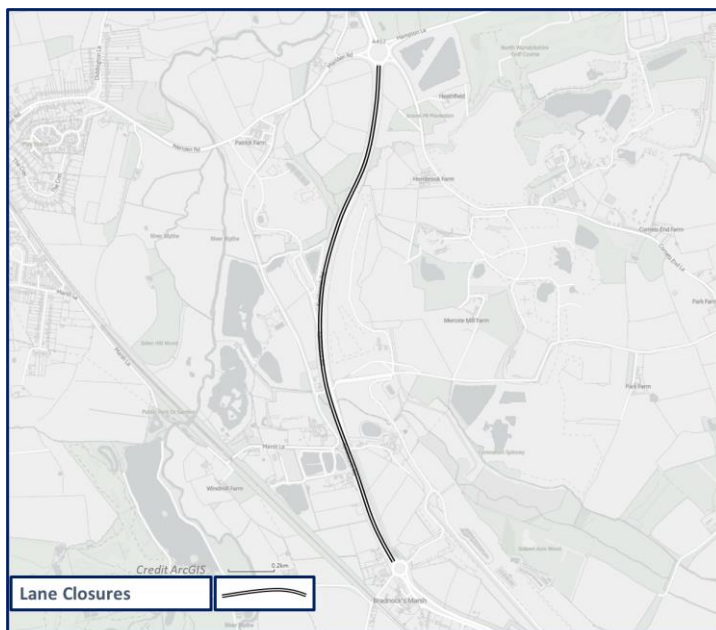

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing.

In August 2024 our team completed the new A452 Kenilworth Road Overbridge in Balsall Common. This bridge will carry a diverted dual carriageway over the new railway line. We will now spend the next 12 months constructing the new road and 'tying' it into the existing road. Most of this work can be done while keeping traffic flowing using lane closures and contraflow, although we will require a small number of short full closures in 2025. We will write to you about this separately.

We are writing to you today to inform you that there will be intermittent lane closures on the A452 Kenilworth Road between Bannocks Marsh Interchange (Aston Martin Roundabout) and Meriden Road Roundabout. From November until the road is complete in 2026. The Lane closures will swap from lane one to lane two on both the northbound and southbound carriageways. We will always remove the lane closure when it is not required, and it is safe to do so.

## Location Plan

## Duration of works

Intermittent lane closures for 24 months.

## What to expect

Minimal impact on journey times.

Changing road layout.

Low level noise from our work.
