What we are doing

On 19 and 20 October 2024 we will be dismantling and removing the 180-tonne crane from our South Ruislip Vent Shaft site via the road adjacent to B&M Home store. Once the crane is dismantled it will leave site in three loads due to its size. One load will leave after 8pm on Saturday 19 October 2024 and two loads will leave on Sunday, 20 October 2024. The loads will leave at different times so there will be minimal impact to the surrounding roads.

Traffic marshals will be present to guide the loads out of site and down the access road. We would like to apologise in advance for the disruption or inconvenience this may cause. Every effort is being taken to ensure that these deliveries are carried out in the least impactful way.

We will ensure that disruption is kept to a minimum and that regular updates are provided.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
