

Updated notice of A452 northbound overnight closures - Bickenhill

November 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new HS2 railway and station for high-speed services is being built in the area between the M42 and the A452 Chester Road, adjacent to the NEC and Birmingham Business Park.

We previously contacted you to advise that we will be diverting an existing water main along a section of the A452 northbound carriageway. To complete these works safely we closed one lane of the A452 northbound carriageway.

We have completed the first phase of these works and will remove the lane closure. We will commence the second phase of these works in early 2025.

To enable us to safely remove our traffic management, we will now close the A452 northbound carriageway overnight, for two nights, on 4 and 5 December from 10pm until 6am.

Duration of works

Overnight closure of the A452 northbound carriageway will now be on 4 and 5 December from 10pm to 6am.

What to expect

A fully signed diversion.

Allow more journey time if travelling over this period.

Low level noise from our work.
