

Notice of tree removal on Alexandra Road, Camden

November 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Upcoming gas diversion works

We are planning to carry out gas diversion works in the Swiss Cottage area starting early in 2025. This is to protect and upgrade the main gas pipe ahead of our tunnelling works. We are working with Camden Council and TfL to finalise the plans for these works and further information will be provided ahead of starting works.

Tree removal

In preparation for our works, we need to remove a tree on Alexandra Road, opposite Hilltop Court, as it is located on the land directly above the gas main. This work will take place from **25 to 29 November 2024**. This needs to be done ahead of nesting season to minimise impact on the local wildlife.

The tree will be removed in sections, using an elevated work platform and handheld tools. This work may be noisy and there may be some dust. Noise barriers and dust suppression measures will be used where possible.

There will be a footpath and lane closure with parking bay suspensions, managed with two-way temporary traffic lights. A map showing the location of our works and parking bay suspensions is included on the next page.

When the works have been completed a replacement tree will be replanted. We are also in contact with local schools and community groups about the possible re-use of timber in the local area.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
