

# Notice of traffic management on Cappers Lane, Lichfield

October 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

## The work we will complete

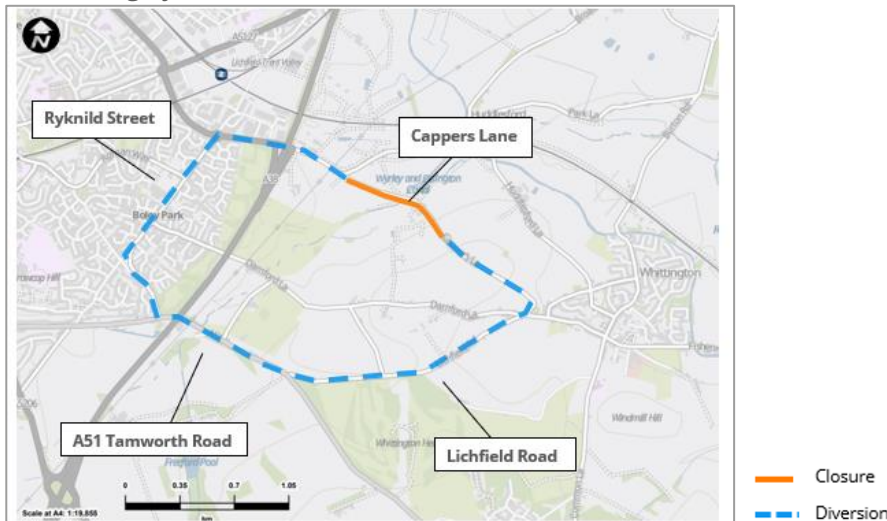

To complete the construction of our site access on Cappers Lane, we will be undertaking vegetation clearance in the area to provide clear visibility for the site entrance. Other work to complete the site access includes installing traffic signs, surfacing and white lining. To ensure the safety of the public and our workforce whilst completing this work, we will be installing a temporary daytime road closure.

## When the work will take place

We will close a section of Cappers Lane from **Monday 18 November to Friday 22 November 2024**. The closure will be in place between **9:30am to 3:30pm**, with the road reopening each evening. Access to properties will be maintained at all times.

## Where we will be working

We will be working on **Cappers Lane** near the junction with **Park Lane**. We will install a fully signed diversion route (shown below) directing road users along Ryknild Street, A51 Tamworth Road and Lichfield Road.
