

# Notice of overnight road closures A413, London Road

November 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

In November, we will be undertaking multiple works at the Small Dean viaduct to prepare for the viaduct launch in early 2025. We will be required to complete trial holes in the verge of the road and commence the lifting of hammerhead units for the construction of the final pier.

As we need to protect the safety of our team working close to the carriageway, the A413, London Road will be closed for the duration of our works.

**\*Update for December closures\*** We will be required to extend the overnight road closures into December to install a new barrier that meets the curvature of the road.

## When will these works take place?

Overnight road closures (8:30pm – 5:30am):

- **Tuesday 5 November to Friday 8 November**
- **Wednesday 13 November to Friday 15 November**
- **Thursday 21 November to Saturday 23 November**
- **Monday 9 December to Friday 13 December**

To minimise disruption, we will introduce a fully signposted diversion route and have chosen to work overnight to reduce our road impact.

These dates may be subject to change due to circumstances outside of our control.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
