

Notice of road closures and traffic management, A4010 Risborough Road

November 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In November and December, we will be carrying out works along the A4010.

We will continue works at the Thames Water main diversion under a lane closure. Our work area will be separated from the live carriageway by concrete barriers. We must close the road completely for one night to install these barriers before the works begin and for one day when they are finished to remove them.

We will also complete a routine inspection of the temporary bridge under a single overnight road closure.

Then we will survey the existing road around the connecting point to the new relief road. We will also be working to locate underground utilities in this area. This will be completed under a single lane closure.

When will these works take place?

- **Full overnight road closure Friday 8 November 8:30pm – Saturday 9 November 5:30am**
- **2-way traffic lights Saturday 9 November 5:30am – Sunday 15 December 9am (24-hour).** *Note: the duration of these works has been extended due to additional unforeseen utility works being required*
- **Full overnight road closure Monday 16 December 8:30pm – Tuesday 17 December 5:30am**
- **Full road closure Sunday 15 December, 9am-3pm**
- **2-way and 3-way traffic lights Monday 16 December – Wednesday 18 December, 9am-3pm**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
