

Mornington Street bridge temporary closure

November 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

New kerb installation on Mornington Street bridge – 12 to 13 December

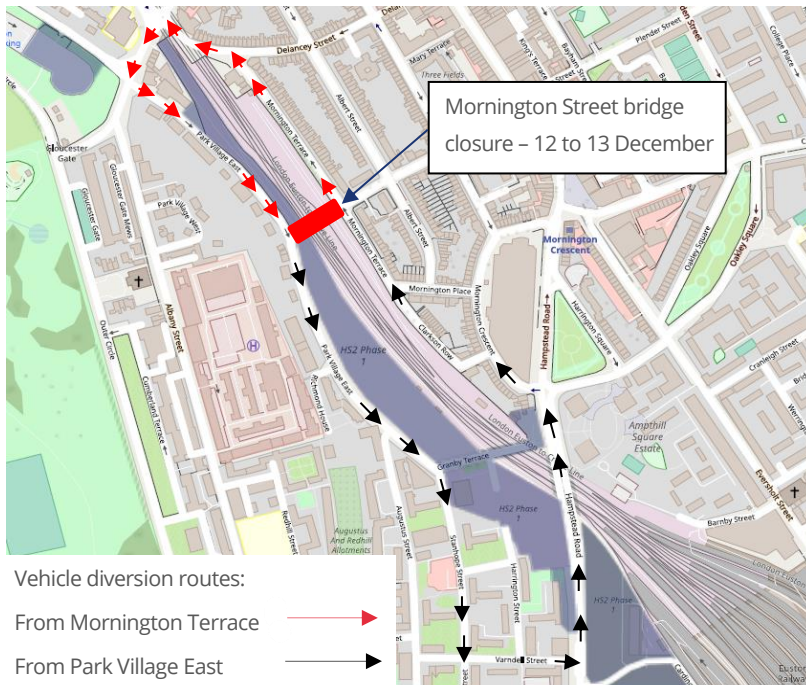

We need to temporarily close Mornington Street bridge to install new bolt-down kerbs at each junction. We have scheduled this work to take place during the other pavement works being completed by Camden Council along Park Village East, to minimise disruption to residents.

We will close the bridge from Thursday 12 December to Friday 13 December. Pedestrian and cyclist access will be maintained at all times.

Vehicles from Park Village East will be diverted via Stanhope Street, Varndell Street, Hampstead Road, Mornington Crescent and Clarkson Row.

Vehicles from Mornington Terrace will be diverted via Delancey Street, Parkway and Park Village East.

We apologise for any disruption this may cause.
