

Notice of road closure on Attleboro Lane, Water Orton

December 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

In order to prepare for our continued construction in the area, BBV will be undertaking works on Attleboro Lane. As part of the new road realignment, our team will begin work to connect the new road to the existing infrastructure. This will involve stripping the existing tarmac and resurfacing the area to prepare it for use by road users.

When the work will take place

A full road closure will be in place on Attleboro Lane each weekday from Monday 6 January to Friday 24 January. The closure will be in place from 7:30am to 5:00pm each day. Access will be maintained to residents and deliveries using a traffic management marshal.
