January 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

To support the construction of the Greatworth Green Tunnel we will be building a plant crossing area for our heavy construction vehicles to cross the Greatworth Temporary Road. This plant crossing will be controlled by traffic lights and be in place for the duration of the tunnel construction.

To build the crossing point we will be reinforcing the highway surface. This will require weekend road closures for up to three weekends, beginning on Friday 17 January 2025.

During the construction there will be traffic management on the Greatworth Temporary Road for approximately one month.

During this time there may be occasions when we will need to work across the road, traffic may be held at the lights for no more than 15 minutes to ensure a safe working area.

When will these works take place?

Traffic lights from Tuesday 7 January to Friday 7 February 2025, 24 hours a day.

Completed weekend closures:

- 8pm Friday 17 January to 6am Monday 20 January 2025
