Earthworks at the site on Breakspear Road South are extended until 5 May 2025

We wrote to you in December 2024 to update you on works for the retained embankments construction at our site on Breakspear Road South, from 17 June 2024 to 31 March 2025.

These works have been delayed due to reduced availability of lorry deliveries. Our permitted lorry movements are limited, and we had to use some of them to move tunnelling materials off-site during this period of works.

In addition, heavy rain in January and February made it impossible to carry out the required compaction tests for the embankments. As a result, we now expect to complete the works by **5 May 2025**.

We need 11,000 tonnes of material to complete the embankments, using lorries for delivery of aggregate, machinery to place the material, and compaction plants, including vibratory rollers.

These works create some noise due to the use of ground compaction equipment and excavator activities. Every effort is being taken to ensure that these works are carried out in the least impactful way, and we will ensure that disruption is kept to a minimum.

Please see the following pages for the location of works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
