

UPDATED Notice of utility works on B4114 Birmingham Road, Coleshill

January 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To advance preparations for the HS2 railway construction and the lowering of the B4114 Birmingham Road, we will be connecting utilities along the footway of B4114 Birmingham Road, in front of the three cottages. This work will involve excavating the pedestrian footpath, including across property driveways, to access utilities for installation.

For safety during this work, we kindly ask that residents continue to use the new car park for all vehicle parking. Excavations will be covered with plates outside of working hours to ensure continuous pedestrian access.

When the work will take place

UPDATE: Due to changes in the program these works will be slightly delayed.

The team will be working on the footpath from Monday 03 February to Friday 28 February 2025. Our working hours from 8am to 6pm each day. All vehicles will be directed to use the designated car park. Pedestrian access and access for residents will be maintained at all times.
