

# Notice of temporary 15 minute traffic stops on Chorlton Lane and Waybutt Lane, Checkley

February 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project. Following the general election in July 2024 the new Government have said that they will thoroughly review the position they have inherited before setting out more detailed plans and next steps for this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

## What we are doing

As part of our ongoing maintenance of sites along Chorlton lane and Waybutt Lane, we will be carrying out essential works to the roadside hedges on Thursday 6 February 2025. These works are required to ensure the public highway remains clear and safe to use.

We will need to install temporary two-way traffic lights to manage the safe movement of the vehicles in and out of the site.

If your journey is affected by these works, we appreciate your patience and understanding for any minor delay. We also urge you to allow additional time for your journey as necessary.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
