

Weekend works in Euston Approaches in early February

January 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Weekend onsite works near Stanhope Street gate – 1 and 2 February 2025

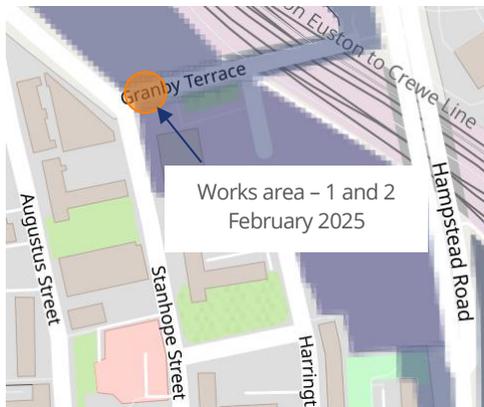

We need to replace the Stanhope Street site entrance gate.

On **Saturday 1 and Sunday 2 February**, we will prepare the area within our site in preparation for the new gate install.

This will involve breaking of concrete, a water main diversion, removal of fencing and other materials.

Works will take place during the daytime, with any noisy works aiming to be complete before 1pm.

We must carry out these works during the weekend to maintain access to site and avoid disruption to services that supply our site buildings. We apologise for any inconvenience these works may cause.

Overnight works on existing Granby Terrace bridge deck – postponed

We previously informed you we will be conducting investigative surveys of the parapet wall on the existing bridge deck, overnight, on **Saturday 25 January 2025**.

We now need to reschedule this work, and we will let you know when we have rescheduled dates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
