

Notice of weekend closure of A452 Kenilworth Road – Meriden

December 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new railway will pass under a newly realigned Kenilworth Road between the Meriden Road Roundabout and Bradnocks Marsh (Aston Martin) Roundabout. There are several utilities that cross beneath the road in this location that need to be carefully diverted so that our works do not impact supplies to residents and businesses.

You may already be aware that we have been working in the verges under lane closures. We now need to work in the central reservation and create a crossing point from one side of the carriageway to the other. To complete these works safely we will install temporary weekend closures of the A452.

To minimise disruption, our team will work two intensive 48-hour shifts during two weekends at the end of January and beginning of February 2025.

Access for residents and businesses will be maintained throughout the closure and a fully signed diversion will be in operation. Please follow the directional signs.

Please note that there will be further closures during 2025. We will share a communication in the new year once the details are confirmed.

When will this work take place

First closure - The traffic management will start at 6am on Saturday 25 January and fully reopen at 6am Monday 27 January 2025.

Second closure - The traffic management will start at 6am on Saturday 1 February and fully reopen at 6am Monday 3 February 2025.

Come and see us... Your local community engagement team will be at Balsall Common library from 2pm to 6pm on Tuesday 14 January 2025. See page 3 for more details.

Duration of works

First closure - The traffic management will start at 6am on Saturday 25 January and the road will reopen at 6am Monday 27 January 2025.

Second closure - The traffic management will start at 6am on Saturday 1 February and the road will reopen at 6am Monday 3 February 2025.

What to expect

Low-level noise from our work.

A fully signed diversion.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:
