

# UPDATED: M43 Footpath closure March 2026 to March 2027

High Speed Two (HS2) is the new high speed railway for Britain.

Balfour Beatty Vinci (BBV) is working in partnership with HS2 Ltd to build the new railway in your area. To allow us to keep pedestrians safe whilst we construct the railway, from March 2026 the diversion route will follow the re-aligned Attleboro Lane. This closure is part of the M43 footpath that links Attleboro Lane to Vicarage Lane and new diversion route will be in place until March 2027. The section of **closed footpath is marked in orange** on the map below. **The existing footpath is marked in black and the new diversion route is marked in blue.**

The timeframes in this notification may be subject to change and consents. For the latest information, please refer to [www.hs2inWarwickshire.co.uk](http://www.hs2inWarwickshire.co.uk) and local signs.
