

# Notice of temporary traffic lights on Yarnfield Lane, Stone.

February 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Project update

On 4 October 2023, the Government of the day announced a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project. Following the general election in July 2024 the new Government have said that they will thoroughly review the position they have inherited before setting out more detailed plans and next steps for this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety, and security reasons.

## What we are doing

As part of our ongoing maintenance of sites along Yarnfield Lane, we will be carrying out essential works to roadside hedgerows on **Wednesday 19 February until Friday 21 February 2025 and Monday 24 February 2025.**

These works are required to ensure the public highway remains clear and safe to use.

We will need to install two-way temporary Traffic lights to ensure the safety of the workforce and road users during this time.

If your journey is affected by these works, we appreciate your patience and understanding for any minor delay. We also urge you to allow additional time for your journey as necessary.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Wednesday 19 February  
until Friday 21 February  
2025 and Monday 24  
February 2025.

9am to 3pm

## What we will do

Install temporary two-way  
traffic lights.

Carry out the work in  
compliance with the Code  
of Construction Practice.

Inform you in advance of  
any changes to the dates  
and working times shown.

## What to expect

Some low level noise.

Some short delays may  
occur.

## How will this affect you?

We will put the temporary two-way traffic lights in place from:

**Wednesday 19 February until Friday 21 and Monday 24 February from 9am to 3pm.**

The equipment we use may generate some low-level noise. We will be switching off engines when not in use and working during the day to minimise disturbance to residents. The purple shape on the map below shows where we will be installing the two-way traffic lights.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
