

Road reinstatement works, Lynwood Road, Ealing, W5

February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

From **24 to 28 February 2025**, we will be carrying out road reinstatement work on Lynwood Road, Ealing.

We will resurface sections of the road close to the junction with the A40.

How this may affect you

We will close the access to Lynwood Road from the junction with the A40. A traffic diversion will be in place. Access to Lynwood Road north of the junction with Brunswick Road will be for residents and services only. A pedestrian diversion will be in place. There will be parking bay suspensions on this section of the road. Please see the map on the next page.

There will be a temporary change to the 226 bus route. Please plan ahead of any travel using buses in this area during the works. You can find the latest bus status updates via www.tfl.gov.uk/plan-a-journey.

We will use handheld tools and a vacuum excavator to carry out the work. This work may be noisy. We will use noise reducing barriers where possible.

We apologise for any inconvenience and disruption caused by these works.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.
