

Notice of two overnight road closures of M42 northbound in February 2025

February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

As we prepare for construction of the new M42 Coleshill Triple Box Bridge across the M42 motorway we will be carrying out overnight maintenance works, and validation of the current speed cameras placed along that section of motorway.

To allow us to complete these works, there will be overnight closures of the M42 northbound carriageway from junction 7 to junction 8. This will also include the slip road from M42 northbound at junction 7 to M6 southbound and the M6 Toll connector road northbound, from M6 junction 3a to M42 northbound.

When the work will take place

To ensure the safety of our workforce, we will be installing two overnight road closures on Friday 21 February and again overnight on Monday 24 February. The closures will be in place from 8pm each night and will be removed at 5am each morning.

This work is subject to consent with National Highways.

Where will the work take place

Please be aware other work affecting the M42/M6 link road, M6 Toll and M42 is ongoing, details can be found at www.hs2.org.uk/warwickshire

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Subject to consent Duration of works

Overnight road closure on M42 northbound on Friday 21 February and Monday 24 February, from 9pm to 5am each night.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
