HS2 Construction Works in Old Oak Common

February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak Common station.

Electrical & mechanical set up - What are we doing?

Electrical works are due to begin on the Old Oak Common Station site. These works will begin in June 2025, and include installing drainage, lighting and other similar activities. This will be within the HS2 Station Box and within the Conventional Station (please see map on page 2).

In preparation for these works a temporary storage area needs to be constructed on site. This will begin in March 2025. It will also serve as the central base for all electrical and mechanical works, public health, and communications work throughout the project.

Working hours

These activities are scheduled to take place from March 2025 to May 2026. Works shall only be carried out during normal working hours (Monday to Friday 8am – 6pm, Saturday 8am – 1pm).

Duration of works

March 2025 – May 2026

What to expect

Noise from works and equipment used.

What we will do

We will use best practice to ensure minimal disruption to our site neighbours and provide any additional works updates if necessary.

We will continually monitor noise levels throughout the works. All staff, operatives and contractors will be reminded to always be good neighbours.

We will update the HS2 website with any changes: <https://www.hs2.org.uk/in-your-area/local-community-webpages/hs2-in-old-oak-and-north-acton/>

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:
