Update: Camden Winding Engine Vaults protection works

HS2-SCS-25-1232

Location

Camden Winding Engine Vaults, next to
Gilbeys yard, Camden

Duration

Ongoing, until 31 July 2026

What we are doing

Installing monitoring equipment and
removing scaffolding

What to expect

Some construction noise. You may notice
lorries removing equipment from site on
Saturday nights, between 11pm and 5am.

We may work over the Easter long weekend.

We apologise for any disturbance this work
may cause.

We are committed to keeping you informed
about work on HS2. This includes ensuring
you know what to expect and when to expect
it, as well as how we can help you. Should you
have any questions or concerns about our
works you can contact us by:

Additional information

We wrote to you in October 2025 about our work to protect the Grade II Listed Camden Engine Winding Vaults. We have completed our work to clear the vaults of mud and flood water.

We are continuing to install monitoring equipment within the vaults. From early April, we will dismantle the scaffolding. We will remove the scaffolding parts from site by lorry, between 11pm and 5am on Saturday nights, when trains are not using the tracks. The lorries will travel along the Network Rail access road between the vaults access and Juniper Crescent. The route is shown on the map below. This work will take about 10 weeks.

We will then carry out minor works within the vaults until late July 2026. We will continue to return to the site at intervals to carry out maintenance works, for at least a year after tunnelling has finished in Camden.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
