February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new high-speed railway and Interchange Railway Station is being built near Birmingham Business Park, Resorts World and the NEC near Solihull.

To ensure we complete these works safely, we will need to temporarily close Coleshill Heath Road overnight on Monday 24 February, 8pm to 6am. The access to Yorkminster Drive via Coleshill Heath Road will also be closed.

We will then close the access to Yorkminster Drive via Coleshill Heath Road overnight on Tuesday 25 February from 8pm until 6am.
