

Notice of daytime closures on Bangley Lane

February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we are completing

We are currently constructing Bangley Lane Overbridge which will allow the new railway to pass underneath the lane. As part of our ongoing works, we are required to carry out utilities' diversions and roadside vegetation clearance to prepare the area for the realignment of Bangley Lane. To complete these works safely we will be required to install the daytime closure of Bangley Lane.

When the work will take place

We will have temporary day time closures in place from 10 March until 4 April 2025 between **8am** and **6pm**.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on **08081 434 434** or email hs2enquiries@hs2.org.uk
