February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Hoarding works on Victoria Road, North Acton

From **10 to 28 March 2025**, we will replace and paint the Victoria Road Crossover Box site hoarding along Victoria Road.

These works will take place between 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays.

What to expect

These works will be completed in sections and involve a partial footpath closure on Monday to Friday. A full footpath closure with a pedestrian diversion will be in place on Saturdays (see maps on next page for further details).

Traffic management will be in place 24/7 throughout the works.

You may hear noise from handheld tools used to replace and paint the hoarding. We will aim to minimise and disruption where possible.

From **17 to 22 March 2025**, School Road North bus stop (outside the Boden building) will be closed to reduce traffic congestion on the road. The closest bus stops will be North Acton Station and Chandos Road (about a 2-minute walk).

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
