

# Notice of tree maintenance next to the Woodman Pub

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Birmingham.

## What we are doing

We will be carrying out some tree maintenance close to the Woodman Pub's beer garden area.

This work involves trimming some overhanging branches that are affecting the visibility of security cameras.

The trees belong to Birmingham City Council, who has given approval for these works to take place under their supervision.

## When will the work take place

We plan to carry out the work between 24 and 26 February and we anticipate that it will take around two hours to complete.

Our team will use handheld tools, like chainsaws and you may notice some additional noise as we carry out the work.

To carry out the work safely, we will need to close the beer garden while we complete the work. The Woodman Pub will remain open as usual.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
