What are we doing?

As part of the A41 realignment, we have been narrowing a section of the old the A41 since Autumn last year.

We plan for the carriageway narrowing to be completed and the road re open on the new road layout during March 2025.

We will also be completing additional verge and drainage works on the new A41 near the Fleet Marston roundabout.

These works will take place under full road closures and single lane closures.

When will these works take place?

There will be 3 overnight road closures with a signposted diversion route detailed on page 2. There will also be lane closures with a one way system detailed on page 3. In summary:

1. Friday 28 February 8:30pm – 5:30am Saturday 1 March, full road closure of the new A41.
2. Friday 28 February 8.30pm – 5:30am Friday 14 March, 24-hour lane closures of the old and new sections of the A41.
