

Notice of CCTV survey on Woodhouse Avenue, Perivale

March 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

From **7 to 11 April 2025**, we will be carrying out a CCTV survey in the drainage system behind Woodhouse Avenue, Perivale. We will access the area through the gate on Scorton Avenue.

This survey will help us to understand the condition of the drainage system and how best to protect it during construction of the railway.

We will remove some overgrown vegetation, and then we will insert a camera into the drainage system. We may need use a jet washing machine to improve visibility for the camera.

How this may affect you

We will suspend three parking bays on Scorton Avenue and close off a small area of the road for storage. The jet washing machine, vans and equipment will be kept within this area.

You may hear some noise if we need to jet wash the drainage system. We will use noise reducing barriers where possible.

The approximate location of the work and storage area is shown on the map below.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
