

UPDATED: Notice of traffic management on Gilson Drive – utility connections

March 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To continue our preparation of the HS2 railway we will be completing works on Gilson Drive. Traffic management will be installed to allow the completion of the final utility connections for the new road realignment.

When the work will take place

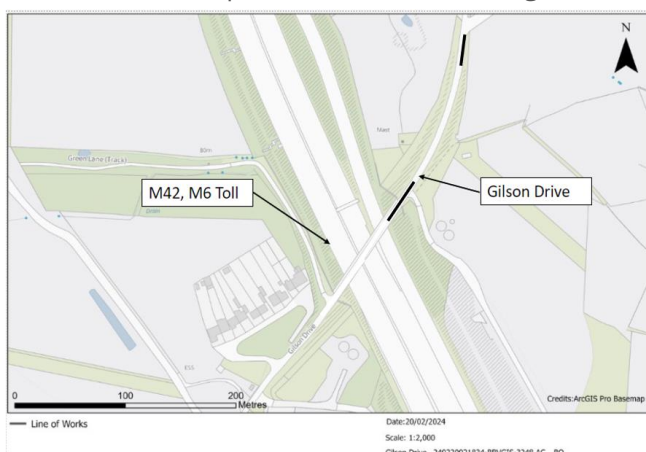

UPDATE: The traffic management on Gilson Drive will be extended for three additional days until Tuesday 1 April.

A rolling road closure will now be in place on Gilson Drive each day. The traffic management which will be alternating between stop & go, temporary signals and temporary traffic lights will be in place 24 hours a day, seven days a week from Monday 3 March to Tuesday 1 April.

Two-way lights will be in place in the mornings and evenings. During daytime hours, we will use a manual stop & go system, when the machines are running.
