

## Notice of temporary lane closures on Faraday Avenue

April 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The work we will do

Following works to temporarily realign Faraday Avenue whilst we construct the new railway, we are required to carry out maintenance works. This will include various aspects such as footpaths, street lighting and road signage. To be able to complete these works safely this will require temporary single lane closures.

### When the work will take place

Only single lane closures will be implemented at any one time and whilst it's not possible to define the specific closures for each day at this stage, these will be limited to:

- A446 Southbound - lane 1 (to coincide with lane closures on Faraday Avenue eastbound)
- Hams Hall Roundabout - lane 1
- Faraday Avenue eastbound (either lane 1 or lane 2)
- Faraday Avenue westbound (either lane 1 or lane 2)

These lane closures will be implemented from **09:30am-3:30pm** and **8:00pm-3:00am** each weekday over the following period:

- Monday 28th April to Friday 2nd May 2025
- Tuesday 6th May to Friday 9th May 2025
- Monday 12th May to Friday 16th May 2025
- Monday 19th May to Friday 23rd May 2025

Access will be maintained for pedestrians.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
