

Notice of supporting traffic management for the A46 closure, near Kenilworth

March 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we are doing

As we slide the A46 box structure into place and take the new HS2 line under the A46 near Kenilworth we need extra traffic management to ensure the local network keeps moving during the 19 day closure.

Additional traffic management will be in place during the closure of the A46: 8pm Friday 11 April to 6am Thursday 1 May

What to expect in the area

As part of the A46 closure we need extra mitigation in the area to protect communities from through traffic and ease local traffic flows. To do this, there will be a number of extra measures in place:

1. Dalehouse Lane will be one-way only towards Kenilworth.
2. Birmingham Road closure at the crossroads into Stoneleigh village with a signed diversion in place.
3. No right turn onto Coventry Road near the bridge at Stoneleigh from the B4113 towards Stoneleigh Deer Park Golf Course.
4. Ashow Road full closure near the Chesford Interchange with a signed diversion in place.
5. No right turn into or out of Hill Wootton Road to the Kenilworth Road (A452)

In addition, there will be part time traffic signals in place at: St John's Island in Kenilworth, Thickthorn Roundabout (A46/ A452) and the Blacklow Roundabout (near Leek Wootton and the Warwickshire Golf Club), the traffic lights will only be used if necessary.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
