

Notice of Road Closure A418 Oxford Road and Meadowway

March 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In early April until the end of June, we will be carrying out a connection to bring into use the new gas pipe along the new road alignment. This requires an excavation close to the Meadowway junction. It is necessary to close this junction while we complete this work. These works involve a weekend closure of the A418 Oxford Road in early April, followed by the closure of Meadowway junction until June.

The planned weekend road closure of the A418 Oxford Road in early April is to install temporary barriers across the Meadowway junction and complete multiple works to include drainage, utility and verge works.

During the A418 Oxford Road weekend closure, pedestrian and cycle access will be maintained via a footpath diversion. Cyclists will be required to dismount through the closure.

The Meadowway junction road closure is required to safely complete gas utility diversion works. Access for Meadowway and Mayflower Close residents will be maintained via the Sedrup Lane junction.

When will these works take place?

A418 Oxford Road weekend road closure for vehicles (pedestrian and cycle access will be maintained)

- Friday 4th April 8.30pm to Monday 7th April 5.30am

Meadowway junction road closure to vehicles (pedestrian and cycle access will be maintained)

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
