

## Notice of road closure, Claydon Road near Lower Boddington

November 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2innorthants.co.uk](http://www.hs2innorthants.co.uk).

### What are we doing?

In Lower Boddington, on Claydon Road a new bridge will be built to take local traffic over the HS2 railway. The bridge will be in the same location as the current road and therefore the road will need to close for approximately 2.5 years for the bridge construction to take place.

Once the bridge is completed the road will re-open. It will also provide the new permanent route of the public right of way, which forms part for the Millenium Way footpath, which has remained open to walkers via a diversion route around the construction site.

### When will these works take place?

Claydon Road will be closed, 24 hours a day, from 1 November 2022, until the completion of the Claydon Road overbridge which is expected to be by 31 July 2025

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
