Cross passage construction in Rydal Crescent, Perivale

April 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Cross passage construction near Rydal Crescent and Sheraton Business Centre

From **28 April to 19 May 2025**, we'll build cross passage 10 near Rydal Crescent and Sheraton Business Centre. We'll work 24 hours, seven days a week. During this time there will be periods of noisy works. To avoid overnight disturbance, we'll limit noisy activities to **between 7am** and 10pm Monday to Sunday and carry out quieter works at night.

Cross passages between the tunnels will allow HS2 passengers to get to a place of safety in an emergency. They are located and are about 500 metres apart along the tunnels route.

Works to build cross passages involve breaking into the side of the completed tunnel. This may create some noise and vibration. Properties that may be affected are shown within the pink and blue lines on the map below. These lines represent the predicted noise levels in these areas. This cross passage is about 20 metres deep and six metres away from the closest property.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enguiries@hs2.org.uk
