

## Notice of utility works in Euston

April 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

### Euston utility works

As part of our essential programme of works, we are continuing with utility works in the local area starting in April 2025 and continuing into the winter 2025.

Please read the rest of this notice to find out more about works taking place on Euston Street, Starcross Street, and South Cobourg Street.

### Starcross Street UKPN Works

A new UKPN power station is being installed at the Maria Fidelis Old School site. To facilitate this, we will be extending our hoarding on Starcross Street, which will require the temporary suspension of two car park spaces. **These works will commence on Monday, 7 April 2025, and will last for ten weeks.**

Worksite: 

### Duration of works

- 7 April 2025 – winter 2025
- 8am – 5pm, Monday to Friday (occasional weekend and evening work)

### What to expect

- Lane closures
- 3-way temporary traffic signals
- Parking suspensions
- Footway restrictions
- Pedestrian access will be always maintained

### What we will do

- Aim to reduce noise and vibration as reasonably practicable
- Apply dust mitigation measures
- Create temporary work sites
- Keep all sites safe and secure

Euston Street and North Gower Street Gas Works

Secondary gas diversions on Euston Street and North Gower Street will take place over three phases, with phase one beginning on **Monday, 14 April 2025, and continuing until early September 2025**. Working hours will be 8am – 5pm, Monday to Friday, with occasional extended hours and weekend work. Upon completion of each phase, traffic management will be reduced, and localised sites will be left to undertake commissioning.

Worksites: 

<b>Phase One:</b> Euston Street 14 April until approximately early July 2025	Lane closure on Euston Street. Three-way temporary traffic lights
<b>Phase Two:</b> North Gower Street and Junction of Euston Street from 30 June until approximately mid July 2025	Lane closure on Euston Street. Small compound on North Gower Street Three-way temporary traffic lights
<b>Phase Three:</b> North Gower Street, 14 July until approximately early September 2025	Lane closure on North Gower Street. Three-way temporary traffic lights. It may be necessary to return and complete this phase at a later stage due to other works in the area.

Upcoming Drummond Street Works

Works to replace a gas main on Drummond Street will commence in late April 2025. These works will take place in four phases. During phase four, we will need to temporarily close Drummond Street to traffic from the junction of North Gower Street. We will write to you again to confirm the timing of these works.

Upcoming UKPN Works Cobourg Street footpath

To facilitate our ongoing UKPN activities **Cobourg Street footpath** will temporarily close from June 2025 for approximately 10 weeks. We will write to you again confirming the timing of these works.

What to expect during these works

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but please be assured that every effort is made to minimise any unnecessary noise. Please note that changes to the programme may occur and if these changes are likely to cause any disturbance, we will write to you again.

Works will include:

- Works surface area to be cut, broken out and excavated to the required depth using petrol powered floor saw, hydraulic breaker and vacuum excavator
- Acoustic blankets around worksites
- Dust suppression by spraying water onto any works producing dust

Working hours

- 8am to 5pm weekdays (excluding bank holidays)
- On occasions it may be necessary to work 8am to 6pm Saturday and Sundays as well as nighttime works on weekdays
- We will start-up and close-down activities up to one hour before after normal working hours above

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
