

## Notice of overnight closure of the M42/M6 Link Road, near Water Orton

April 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The work we will be doing

As we prepare for the construction of the new M42/ M6 Link Road viaduct project, our teams will install the parapets on the East viaduct bridge and remove equipment from the previous phase of construction. The work we will be undertaking involves delivering plant and machinery and extra carriageway cleaning operations.

The diversion route will be to continue on the M42 southbound from junction 8 to junction 6. At M42 junction 6 exit the M42 southbound onto the roundabout and take the M42 slip road to go northbound and join the M6 westbound.

### When the work will take place

To ensure the safety of the road users and our workforce, we will install an overnight closure of the westbound carriageway on the M42/M6 link road from 9pm Friday 25 April to 5am Saturday 26 April.

This work is subject to consent with National Highways.

### Where will the work take place

See map below detailing the **westbound** carriageway closure and the approved diversion route.
