

Notice of overnight road closure, Nash Lee Road, Terrick

April 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In 2023, we introduced a temporary realignment of Nash Lee Road for public use. The new road incorporates a temporary bridge carrying road traffic. In May 2025, we will perform an inspection and general maintenance work on the bridge to ensure continued safe operation of the structure.

To carry out these maintenance works we will be closing the road overnight for two nights. This ensures the safety of road users whilst the bridge is being inspected, and the safety of our operatives who will be working in and around the carriageway.

We are doing the works overnight to reduce the impact of this closure on road users. Future maintenance works will be conducted periodically while the bridge is in operation.

When will these works take place?

Overnight road closures (8.30pm – 5.30am):

- **Monday 19 May to Wednesday 21 May**

These dates are subject to change due to circumstances beyond our control. Should we finish the works early, the traffic management will be withdrawn.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
