

Update: Utility works at College Crescent and Alexandra Road

HS2-SCS-25-1129

Location

College Crescent and Alexandra Road, South Hampstead.

Duration

Ongoing works extended until 22 March 2026

What we are doing

Our phase one gas main diversion works have been further delayed due to existing issues with incorrect company records of utility assets. This has resulted in additional work being required to disconnect the existing gas main as an unexpected gas feed was discovered.

We are sorry for the disruption caused by the delay to these works.

What to expect

The road closure on Alexandra Road and the lane closure, with one way traffic only, on College Crescent, will remain in place.

The traffic diversions and parking bay suspensions will remain. Bus stop G on College Crescent will remain suspended.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Additional information

We expected our phase one gas main diversion work to be completed by 27 February. We need to extend it until 22 March due to additional work being required to disconnect the existing gas main as an unexpected gas feed was discovered. The completion dates of works such as these are especially likely to change, as we sometimes find things such as damage or leaks which we weren't expecting. This means additional works may be needed. Should this be the case, we will update you and let you know the new date.

We are working with TfL and Camden Council to minimise traffic impacts where possible. Other contractors are carrying out non-HS2 related work within our work sites, to reduce further disruption in the future.

The next phase of our utility works in South Hampstead is planned on Hilgrove Road and Finchley Road. We will send out further information in advance of these works starting.

We hold 20-minute virtual one-to-one sessions every second Tuesday from 4pm to 6pm. This is an opportunity to talk to us about these works. The next sessions are on 17 February and 3 March 2026. You can book online at hs2.org.uk/events or by scanning the QR code on the right with your smart phone camera. The sessions will take place on Microsoft Teams.

Where we are currently working

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
