

Update: Vegetation clearance, Old Oak Common

April 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Vegetation clearance next to railway tracks

We wrote to you in March 2025 to let you know we would be carrying out vegetation clearance next to the railway tracks behind Wells House Road, Old Oak Common, and installing monitoring equipment.

On **Sunday 27 April 2025**, we will return to the area to carry out some further vegetation clearance next to the railway tracks behind Wells House Road. This is to ensure that visibility for the monitoring equipment is clear at all times. The work will take place between 8am and 6pm.

Our team may return at intervals throughout the year to keep vegetation trimmed.

We do not expect these works to cause any disturbance to local residents.

The map below shows the location of these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
