Euston Approaches utilities road closures – May to December 2025

April 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Cable route from Lidlington Place to Varndell Street

We have been diverting utility services on and next to Hampstead Road, to clear our working area before we begin works to extend Hampstead Road bridge.

We previously installed a new cable route from Lidlington Place to Varndell Street via Granby Terrace, to replace the existing route next to Hampstead Road.

Now that we have installed the ducting which will form the cable route, the next stage is to pull the cables through the pipes. We do this by pulling cables between underground cable joint bays located on the route.

From **May to December 2025**, we will work Monday to Friday, 8am to 6pm, Saturdays from 8am to 5pm and Sundays from 10am to 5pm. To reduce impacts to residents, there will be no breaking concrete after 1pm on Saturdays and no noisy works on Sundays.

We will minimise noise impacts where practicable to ensure we are working within the approved limits.

The cable pulling will be done in seven phases, please see table on **page 3** for details.

We apologise for any disruption these works may cause.

First phases from 6 May 2025

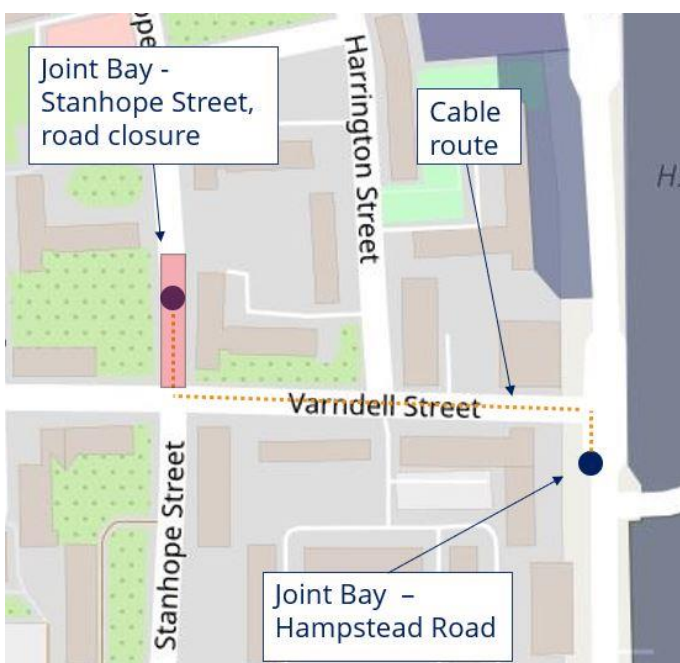

Lane closure on Lidlington Place

From 6 May to late June, we will close a section of the carriageway and northern footpath on Lidlington place between Eversholt Street and Harrington Square.

We will provide a signposted pedestrian diversion and property access will be maintained at all times.

We will also work within our existing traffic management on Hampstead Road, with a back-to-back closure of one southbound and one northbound lane.

Road closure on Stanhope Street

From 6 May to early July, we will close Stanhope Street north of the junction with Varndell Street. We will also close a section of the eastern footpath. Pedestrians will be diverted to the western footpath.

We will work within our current traffic management on Hampstead Road close to the junction of Varndell Street.

Traffic will be diverted via Mackworth Street, Harrington Street and Varndell Street.

Property access will be maintained at all times.

Phase 7	Road closure on Stanhope Street and southbound lane closure on Hampstead Road	September 2025 (TBC)

Lane closure on Stanhope Street for utility work – 28 April to 27 May 2025

We previously informed you we will install ducts in the road and footpath outside our site access gate at the junction of Stanhope Street and Park Village East. These works will now start on **28 April 2025**. We expect these works to take five weeks to complete.

To complete this work, we will install a 2-way set of temporary traffic lights to control the flow of traffic with crossing points at either end of the worksite to divert pedestrians to the opposite footpath. We will complete the work in two phases, first closing the northbound lane and then switching to close the southbound lane. Once utility works are complete, we will install a new gate to the Stanhope Street site access.

We will maintain pedestrian access at all times, however, while we are working in the northbound lane and footpath, access into Cubitt Court will be from the north. We will suspend several parking bays on Stanhope Street to carry out this work, however, all parking bays will remain open outside Cubitt Court. We apologise for any inconvenience these works may cause.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property
