

Update: Utility works – 23 June to late July 2025

June 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Lane closure on Lidlington Place – 23 June to late July 2025

In May we informed you we will close a section of the carriageway on Lidlington place between Eversholt Street and Harrington Square as part of our utility cable pulling work.

The date was postponed, and we can confirm that the work on Lidlington Place will now start on Monday **23 June** and finish in late July 2025.

We will set up the site area from **10pm** on Sunday **22 June** to begin works the following day.

Temporary traffic lights will be in place for cyclists, and property access will be maintained at all times.

We will minimise noise impacts where practicable to ensure we are working within the approved limits.

We apologise for any inconvenience these works may cause.

Please see our [coordination map](#) on the HS2 website to view information about these works, and any other works taking place in the Euston area.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
