Update: Sunday work at Westgate Vent Shaft, Hanger Lane, Ealing

HS2-SCS-26-2083

Location

Westgate Ventilation Shaft and Headhouse site, Hanger Lane, Ealing

Duration

Sunday 17 May
7am to 1pm

What we are doing

Delivery of concrete to site by lorry, between 7 and 8 am on Sunday 17 May

Pouring concrete within the underground structures between 8am and 1pm

What to expect

Early morning deliveries to site

There will be staff on site, but all work will be carried out underground

This work is not expected to be noisy

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

We wrote to you in January about our work to build the Westgate Ventilation Shaft and Headhouse, which is ongoing until August 2027.

As part of this work, we need to line the underground structures with concrete. Concrete will be delivered to site and poured on Sunday 17 May 2026.

This work is being carried out on a Sunday for safety reasons as there are no other site activities happening.

We apologise for any inconvenience this work may cause.

Where we will be working

Within the underground structures at the Westgate Ventilation Shaft site.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
