Additional Information

We wrote to you earlier this month about our utility works on Finchley Road and Hilgrove Road until 27 September 2026. The end of the current phase of works has changed, and works will now finish on 29 November 2026. This is because deeper excavations and addition design work are needed to complete the works.

Virtual one to ones

We are holding 20 minute virtual one to one sessions every second Tuesday between 4pm and 6pm. This is an opportunity to speak with our community engagement team about the works. You can book a session at hs2.org.uk/events or by scanning the QR code with your smart phone camera. The sessions will take place on Microsoft Teams.

Where we will be working

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
