

Notice of Drainage work on the B4118, Birmingham Road

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are writing to make you aware of work that will be undertaken by National Grid on behalf of HS2.

What we are doing

To complete construction of new 132kV Substation (Bromford BSP) National Grid Electricity Distribution (NGED) have installed a drain to serve the facility, for removal of excess rainwater. For the drain to be fully adopted and maintained by Severn Trent Water (STW), a full survey and some remedial works are required to be carried out

To improve traffic flow, we have divided the area into seven shorter sections on the B4118. NGED will have a specialist team working one section at a time (see detail on next page) completing one area before moving on to the next and working towards the Substation.

NGED will undertake the survey and remedial work over ten days between 13 and 23 of May 2025

How will this affect me?

- Access to property frontages shall be maintained throughout the works.
- Temporary bus stops will be installed where required and be located close to the existing stop.
- Temporary traffic lights will be installed to regulate traffic flows at each section and move as the work progresses.
- Traffic Lights will be manually operated at peak times, if required, to avoid significant build-up of traffic in either direction.
- Traffic lights will be set up each day and removed after each shift.

Notification

Duration of works

The works will begin on 13 May 2025 with completion by 23 May 2025

What to expect

A team of engineers working in the road.

Some traffic delays are possible.

Working hours

Monday to Friday

8am to 5pm

Saturday

9am to 6pm

Weekend working may not be required.

What we will do

Carry out survey and inspection of sewer on the B4118, from the new Bromford BSP substation to the STW point of connection.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
