Notice of road closure, B4451 Kineton Road, Southam

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

South of Southam, EKFB are building a new road bridge on Kineton Road over the HS2 railway line. While we are able to complete most of the construction of the bridge next to the current road, there are occasions when we need to work in or near the carriageway which require a road closure.

For two days in early May a short section of B4451 Kineton Road will be closed during off-peak hours. We will be undertaking some utility investigation and de-vegetation work along the east side of the carriageway between the roundabout with Lark Road, and the Southam Rugby club.

When will these works take place?

Thursday and Friday, 1 and 2 May 2025, from 9.30am to 3.30pm.

These dates may be subject to local authority consents and changes due to circumstances outside of our control, such as poor weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
