

## Notice of Road Closure on Station Road North, Quainton

April 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

### What are we doing?

From the end of April, a section of Station Road North will be closed. This is to allow the construction of the eastern tie-in which will connect the new Station Road alignment into the old road. Works will include removing the old road surface, forming the new alignment to include an access road to service properties, completing drainage works, installing new curb stones, road resurfacing and white lining. Individual discussions are taking place with residents affected by the closure to agree access requirements.

Works on the new Station Road alignment will continue offline and the road will be completed and open to traffic in the spring of 2026.

This is for reasons of safety, as our operatives will be working on and around the carriageway.

### When will these works take place?

From 28 April 2025 until 1 September 2025 a section of Station Road North will be closed with signed diversion routes in place.

These dates may change due to conditions outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes and updates.
