

Update: utility works on Alexandra Road, South Hampstead

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

We wrote to you in July about works to divert the gas main on Alexandra Road from 1 to 20 September 2025.

Due to scheduling changes, these works will now take place from **Tuesday 26 August to Saturday 20 September 2025**. We will let you know if there are any further changes.

We will dig a trench in the road to the depth of the gas main. We will work within the trench before it is re-filled at the end of this phase of works.

How this may affect you

Our core working hours are from 8am to 6pm Monday to Friday, and from 8am to 1pm on Saturdays. On some Saturdays we may need to work extended hours, from 8am to 6pm. During the extended hours we will keep noisy works to a minimum.

There will be a road closure on Alexandra Road between Loudoun Road junction and 18 Alexandra Road at all times. There will be parking bay suspensions.

There will be a traffic diversion in place. Pedestrian access will be maintained.

These works may be noisy and there may be some dust. We'll use noise reducing barriers where possible and spray water to reduce dust.

The bicycle storage unit has been temporarily moved from Alexandra Road to the front of All Souls Church, Loudoun Road. The e-bike parking area will also be temporarily moved to the same location before the works begin. The storage unit and e-bike parking area will be moved back to Alexandra Road in Summer 2026.

A map showing the works area and traffic diversion is on the next page.

We apologise for any disruption these works may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
